WITH CAROLINE HEDLEY, EVA SIMPSON AND KIKI KING

## MR & MRS PITT

Is it 'I do' for Brad and Ang?

*Kiki King, Eva Simpson And Caroline Hedley*

SHE'S reported to be expecting the Pitter-patter of tiny feet - and it looks like it won't be long' before **Angelina Jolie** becomes the next Mrs **Brad Pitt**, too.

It seems the news Brad's ex **Jennifer Aniston** was dreading could come to pass sooner than expected.

For it has emerged that, in order to call 30-year-old, Angelina's adopted sprogs his own, Brad, 42, had to offer US courts assurances that he was planning to make an honest woman of groom-raider Angie.

Evan Schaeffer, a partner at famed American law firm Schaeffer & Lamere, told us: "Although it's possible to divorce a wife or husband, one cannot divorce one's adopted children. In this sense, adoption is more binding than marriage. You can't quit being an adopted parent like you can quit being a husband.

#### FID UP FOR A PARTY

FIDDY'S only in London for three days to promote his new movie - but he knows there's no Cents leaving without a party.

"Under American law, adoption is a profound and significant act. It normally doesn't take place unless there's already been a marriage.

"Thus it's reasonable to infer that a marriage is around the corner for Brad and Angelina."

And LA-based lawyer J Craig Williams exclusively told us: "It would take upcoming nuptials or an agreement to become partners for the court to approve such an adoption."

Ocean's Twelve star Brad, who's made no secret of his wish to become a dad, officially adopted four-year-old **Maddox** and eight-month-old **Zahara** on December 2 last year, legally changing their surnames to Jolie-Pitt.

And it looks as though Angie will soon be searching for something [ borrowed and something blue, as well as baby bibs.

A source close to the pair told us: "Brad would I have been happy to give those assurances to the courts as he feels he has the perfect ready-made family. A child of their own would be the icing on the cake."

**BOOZE-FREE BASH IS NO PENNANTS**
